4. The new applicant will receive an e-mail to complete the transfer.

5. The new applicant has to fill out their personal details and can also add products to his or her registration. Please note: If you have purchased any products already, please let the new applicant know so he/she won't order it twice.

6. When the new applicant has filled out all the details and has paid any additional costs, the transfer is completed.

7. When you're transferring your registration to another person, it is your responsibility to collect your money.
